Improving Quality of Life

Our staff prides itself on providing excellent, comprehensive rehabilitation services. Our highly trained Physical Therapists, Occupational Therapists, and Speech Language Pathologists will work with you or your loved one to reach your highest level of function.

While at our facility, you will receive therapy in our newly renovated, state of the art Rehabilitation Gym. On average, our short term residents are able to return to the community and their normal way of life after about 20 days.

Should you decide to stay with us long term, our staff are experts in understanding the physical and emotional needs of those who live in our facility for an extended period of time.

Nestled on several acres, FutureCare Lochearn is surrounded by beautiful trees that create a peaceful setting. Our west side location is easily accessible to downtown Baltimore.

Our residents experience the friendly and caring environment the moment they walk through our door. Our commitment to care extends beyond the clinical, to the social, emotional, and spiritual lives of our residents.

We continuously look for opportunities to provide an active and fulfilling lifestyle, which exercises the mind as well as the body. Our resident rooms provide you with an opportunity to personalize your space to make it comfortable and homelike.
