

We set the standard of excellence for our community by working hard to improve the lives of our residents – one day at a time, one resident at a time.

FutureCare Sandtown-Winchester prides itself on providing quality clinical and comprehensive rehabilitation services. Our full time Nurse Practitioner works closely with your physicians, nurses and therapists to design and carry out an individual care plan based on your personal and health care needs.

We invite you and your family to visit our facility to experience first hand our unique approach to caring. For more information or to schedule a tour of our facility, please contact us today at 410-669-2750.

Improving Quality of Life

Our staff prides itself on providing excellent, comprehensive rehabilitation services. Our highly trained Physical Therapists, Occupational Therapists, and Speech Language Pathologists will work with you or your loved one to reach your highest level of function.

While at our facility, you will receive therapy in our newly renovated, state of the art Rehabilitation Gym. On average, our short term residents are able to return to the community and their normal way of life after about 20 days.

Should you decide to stay with us long term, our staff are experts in understanding the physical and emotional needs of those who live in our facility for an extended period of time.

Located in West Baltimore, FutureCare Sandtown-Winchester plays a vital role in the community's health care delivery system, especially in the area of long-term care.

Our residents experience our friendly and caring environment the moment they walk through the door. Our commitment to care extends beyond the clinical, to the social, emotional, and spiritual lives of our residents.

We continuously look for opportunities to provide an active and fulfilling lifestyle, which exercises the mind as well as the body. Our large resident rooms provide you with an opportunity to personalize your space to make it comfortable and homelike.
